## EDUCATION

---

**Ph.D. Student in Criminal Justice** Aug. 2025 – Present  
*John Jay College of The City University of New York*

**Master of Legal and Forensic Psychology** 2023  
*University of California, Irvine*

**Financial Accounting Certification** 2019  
*Harvard Business School*

**Bachelor of Arts in Psychology** 2015  
*Barnard College of Columbia University*

## RESEARCH INTERESTS

---

Correctional behavioral healthcare, risk assessment, reentry

## RESEARCH EXPERIENCE

---

**Research Data Specialist I** 2023 – 2026  
*California Correctional Health Care Services*

- Supported day-to-day program and project management of the Integrated Substance Use Disorder Treatment (ISUDT) Program, and other related complex patient populations by independently performing quantitative and qualitative research and evaluation activities
- Performed statistical analysis to produce data and recommendations for use in resolution of multiple ISUDT Program related issues
- Assisted with development of data quality improvement processes; analyze data needed to inform program improvement opportunities; and ensure compliance with performance metrics
- Conducted reviews of relevant literature and national best practices related to the provision of health care services among incarcerated populations as well as the community
- Visited California Department of Corrections and Rehabilitation institutions to collect data measures from incarcerated persons and correctional staff

**Research Assistant** 2023  
*California Correctional Health Care Services*

- Evaluated the implementation, dissemination, and efficacy of medication assisted treatment (MAT) for substance use disorder in correctional settings at the local, state, and national level
- Independently collected, validated, analyzed structured and unstructured data, and developed a written report used to inform policy and MAT program delivery recommendations within the state of California and nationwide

**Research Assistant** 2023 – 2024

*Center for Evidence-Based Corrections, University of California, Irvine*

- Collected, cleaned, and analyzed data
- Conducted literature reviews of topics pertinent to research subject matter
- Prepared other articles, reports, and presentations
- Attended bi-weekly RA meetings and collaborate as part of a team with other members of the research lab and lab director

TEACHING EXPERIENCE

---

**Teaching Assistant, Research Methods** 2023

*University of California, Irvine*

- Graded course assignments and provided constructive feedback to students
- Monitored online discussion boards and responded to students' comments and questions
- Held bi-weekly office hours to provide additional support to students and responded to student emails
- Attended TA meetings with the professor to review student progress and grading expectations

PROFESSIONAL EXPERIENCE

---

**Director of Outpatient Operations** 2021 – 2022

*Clearview Treatment Programs*

- Oversaw day-to-day facility operations
- Managed staff, and hired and trained new staff
- Supervised admissions procedures and liaised with patients and patients' families
- Audited patient charts for compliance and analyzed patient outcomes to inform program updates
- Communicated with the CEO with operational updates and billing reports

**Utilization Review and Intake Management** 2020 – 2021

*Rogers Behavioral Health*

- Verified patient insurance benefits, conducted insurance utilization review, and updated patients' medical records
- Admitted patients to the facility, reviewed patient financial information, coordinated patient schedules, and liaised with patients' providers for collateral information
- Assisted with day-to-day operations

**Director of Operations** 2018 – 2020

*CAST Treatment Centers*

- Oversaw facility operations, which included developing and managing budgets, developing and implementing policies and procedures, analyzing financial information, processing payroll
- Hired and trained employees, supervised administrative and clinical staff, conducted annual employee performance reviews
- Maintained licensing and certification compliance with The Joint Commission
- Implemented and reviewed patient outcome measures

**Manager of Operations**

2017 – 2018

*CAST Treatment Centers*

- Assisted Director of Operations with overseeing day-to-day facility operations
- Audited the facility's electronic medical record to ensure compliance and maintained facility's licensure compliance
- Communicated with vendors and assisted with paying invoices

**Receptionist**

2016 – 2017

*CAST Treatment Centers*

- Oversaw front office operations, managed and was responsible for patient relations, oriented new patients to the facility and its rules and regulations, collected patient signatures for medical documents
- Scheduled clinical and non-clinical appointments for staff of 30 employees, notified patients of appointments, facilitated urine analysis drug testing
- Purchased office supplies and communicated with suppliers, maintained patients' medical records, upheld facility safety and compliance regulations
